Objectives

Through professional experiences I intend to improve my knowledge. I intend to improve my ability to communicate, stress management and leadership. I want to improve my English and start a new course. I intend to work mainly in the areas of Project Management, or Android or Games. (But not closing doors to other areas)

Skills

HTML, CSS, Javascript, jQuery, PHP, MySQL, Gulp.

Java, Python.

Eclipse, Photoshop, Visual Studio Code, Office, AWS, Marvel, PyCharm, git (SourceTree).

Project Manager of the final degree project of the University.

Federated Football (captain 2 years), swimming (pre-competition) Keyboard and Guitar.

Jorge Ferreira

Information technology (IT) Professional

About Me

I am a cheerful, self-confident, responsible person with a strong desire to learn, organized, assiduous and with a great team spirit. I deal very positively and enthusiastically when a new challenge comes up. I have a strong ability to communicate and argue, knowing how to listen to different opinions and to express my opinion. I have ability to plan tasks in the short, medium and long term. I can set priorities and meet deadlines.

Experience

Summer-2016

2017-?

Bold Consulting
Diamond by Bold

Your Company

Summer internship
where I worked as
Front-end
Developer and
Tester.
